## Summary

I am a Full stack developer with Almost 7 years of experience in graphic design. I have a passion for creating innovative solutions that meet the needs of clients. With 7 years of experience in graphic design and sales, I have developed strong communication skills that allow me to work effectively with clients and team members. My technical skills include proficiency in Python, JavaScript, HTML/CSS, and SQL.

I am seeking a position at any IT section where I can continue to develop my skills and contribute to the success of the team.

## Experience

○ Aug 2022 - Present (1 year 3 months)
