SUMMARY

I am a Full stack developer with experience in graphic design. I have a passion for creating innovative solutions that meet the needs of clients. With 7 years of experience in graphic design and sales, I have developed strong communication skills that allow me to work effectively with clients and team members. My technical skills include proficiency in Python, JavaScript, HTML/CSS, and SQL.

I am seeking a position as a junior full stack developer where I can continue to develop my skills and contribute to the success of the team.

WORK EXPERIENCE

present

Night Porter

Shearwater Hotel & Spa

The job responsibilities of a Night Porter include guest care, reception duties, phone answering, dealing with guest queries, and general cleaning. Working as a Night Porter would provide an opportunity to gain work experience in the hospitality industry. I am doing this job as part-time, because I am student of full stack development course in Code Institute.
